

Eighth Tunisian Congress of Mechanics CoTuMe'2027

March 22-24
<https://www.cotume.tn>

Organized by

Tunisian Association of Mechanics (ATM)

Congress Chair

Pr. Nizar AIFAOU (LGM, ENIM, TN)

Congress Co-Chairs

Pr. Mohamed Ali TERRES (LMMP, ISSATS, TN)

Pr. Farhat ZEMZEMI (LMS, ENISo, TN)

Organizing Committee

Chair : Pr. Imed KHEMILI (LMS, ISSATS, TN)

Co-chair : Pr. Nabih FEKI (LA2MP, ISSATS, TN)

Members

Abdallah SIOUD (LMMP-ENSIT, TN)

Amir BAHRI (LGME-ENIS, TN)

Amira HASSOUNA (LGM-ENIM, TN)

Fathi DJEMAL (LA2MP-ENIS, TN)

Houbab Abid (LMS-ENISo, TN)

Issam DRIDI (LMPE-ENSIT, TN)

Khaled SOUIAISSA (M2EMP-ENIG, TN)

Mohamed Amine GUIDARA (LMFAGPE-ENIS, TN)

Mohamed KHLIF (LASEM-ENIS, TN)

Safa MATHLOUTHI (LMAI-IPEIEM, TN)

Romdhane OTHMANI (LMPE-ENIS, TN)

Scientific Committee

Chair : Pr. Mnaouar CHOUCANE LGM, ENIM, TN)

Treasurer

Chair : Pr. Slah MZALI LGM, ENIM, TN)

Co-chair : Pr. Ahmed AYADI (M2EM-ENIG, ISSIG, TN)

Publishing (Springer and Other Q1, Q2 Journals)

Chair : Pr. Tarek BEN AMEUR (LGM, ENIM, TN)

Sponsoring

Chair : Pr. Mounir FRIJA (UGPMM, ENIS, TN)

Scope

The Tunisian Congress of Mechanics (CoTuMe'2027), organized by the Tunisian Association of Mechanics (ATM), will be held from March 22 to 24, 2027, in Sousse, Tunisia. Since its first edition in 2008, the COTUME congress has been held every three years to bring together researchers, scientists, and industrialists to exchange and share their experiences, their new ideas and their research results on all aspects of mechanical engineering. This congress is sponsored by all Tunisian research structures in mechanical engineering, the French Mechanical Engineering Association (AFM), the Algerian Technology Transfer Association (A2T2), the Moroccan Society of Mechanical Sciences (SMSM) and industrial partners. CoTuMe'2027 includes several plenary conferences on current and leading edge subjects. **Two competitions are organized during this congress: The prize for the best communication and the prize for the best poster.**

Technical Topics

1. Design Methodology
2. Robotics
3. Modeling and Structures Analysis
4. Materials : Structures and Behavior
5. Biomechanics
6. Contact Mechanics
7. Dynamics and Vibrations of Structures
8. Manufacturing Processes & Additive Manufacturing
9. Reliability and Risk Control
10. Energy, Mass and Heat Transfer
11. Fluid Mechanics
11. System Engineering and Mechatronics
12. Industrial applications & Technology Transfer
13. Textile: Structures and Materials

Important dates and deadlines

Submission opening	: 15/09/2026
Deadline for submission of papers	: 31/12/2026
Notification of acceptance	: Starting from 15/01/2027
Deadline for submission of revised papers	: 31/01/2027

Registration fees

From Tunisia & Maghreb U.C	From outside Tunisia & Maghreb U.C
Student : 700 DT	500 €
Academic : 750 DT	650 €
Non-academic : 800 DT	800 €

Congress Secretary

cotume2027@atmecanique.tn

Venue : Sousse, Tunisia
